

Report of the 03/05/08 Meeting of the OC/CIC

In the presence of approximately 40 citizens of Franklin County the Organizational Committee for the Citizens Input Committee met in the Commissioner's room at the government annex at 7pm.

The 15 members elected ; chairperson Dave White, vice-chairperson Gary Wolf, treasurer Jim Suhre, and secretary Margaret Fain. In order to establish as quickly as possible the subcommittees and also to listen to speakers who are experienced in the field of Zoning , the next 3 meetings will be held weekly. Thus on Thursday March 13, 20 & 27 ,2008 at 7pm all citizens are invited to attend as many of these meetings as possible at the above stated site.

In order to be as public & as transparent as is possible the meetings of these groups will be advertised in the local papers and on local radio stations. Signup sheets will be circulated for names & e-mail addresses or phone numbers. ALL citizens are welcome.

The goal is for subcommittees to focus on specific areas of the zoning code and then report back to the whole CIC in order to get as closely as possible to what the community wants to see in the code. Your cooperation and involvement will help get this job done before the end of 2008 as resolved by the Commissioners.

At the meeting on the 27th there will be an opportunity for the OC to re-organize the officers if desired or needed. To contact any member of the OC, the Commissioners or Joe Gillespie the Surveyor can provide you names and numbers.
